Blackhawk Technical College (revised 02-05-2020) Consent, Release and Background Information Disclosure Form

The majority of hospitals and facilities clinically affiliated with the Health Science Programs require a criminal background check and may require drug testing for all students engaging in clinical experiences within their institutions. Some hospitals and facilities prohibit individuals with adverse or positive findings on their criminal background checks or drug screenings from attending or training in their facilities.

Students enrolled at Blackhawk Technical College (BTC) must comply with these background check and applicable drug screening requirements or will be ineligible to participate in program clinical experiences. Failure to comply may prevent the students from being able to satisfactorily complete their educational program. BTC has partnered with a third party ("Viewpoint Screening") to facilitate student background checks.

CONSENT TO BACKGROUND CHECK AND RELEASE

I understand that Blackhawk Technical College or its agents will conduct an investigation of my personal information. The investigation may include, but is not limited to Criminal History Records (from state, federal and other agencies). I hereby authorize BTC to receive any such background information pertaining to me which may be in the files of any federal, state or local agency. I further authorize the full release of these records to Viewpoint Screening and for Viewpoint Screening and/or its agents contracted by Viewpoint Screening to obtain information and to provide it to BTC.

In addition, I release and discharge Viewpoint Screening, Blackhawk Technical College, and all of its agents and associates, any expenses, losses, damages, liabilities, or any other charges or complaints related to or arising out of the investigative process.

I understand that the information I provided within the Background Information Disclosure (BID) form and my Criminal Background Check Screening will be shared with potential clinical and/or practicum sites, throughout any duration of my enrollment at Blackhawk Technical College.

I also certify that all information provided is correct on the Background Information Disclosure (BID) form to the best of my knowledge. Any false statements provided will be considered just cause for denial or withdrawal of acceptance and/or placement at clinical/practicum sites.

I understand that the Wisconsin Caregiver Law requires that I inform Blackhawk Technical College's Health Sciences Division office of any new charges or convictions that may occur after I have signed this document and/or completed the State of Wisconsin "Background Information Disclosure" form.

I understand that the clinical placement sites that are affiliated with my program(s) at Blackhawk Technical College may have policies that could result in additional restrictions relating to criminal or misconduct backgrounds that exceed those required by the Wisconsin law, including but not limited to the Wisconsin Caregiver Law. By contract, Blackhawk Technical College complies with these additional restrictions imposed by such clinical sites. I also understand that if I have an unacceptable criminal or misconduct background, there is a possibility that one or more of Blackhawk Technical College cannot locate another sites may deny me placement in their facility. If this occurs and despite due diligence Blackhawk Technical College cannot locate another site willing to accept me, I understand that I may not be able to complete my program nor graduate from that program.

In consideration of my being admitted into a Health Sciences Program at Blackhawk Technical College and after being fully informed of the information in this consent and release form, I hereby, for myself, my heirs, and executors, assigns and administers, remise, release, and forever discharge, Blackhawk Technical College, its Board members, its employees, agents, and its successors (the "Releasees"), of and from all manner of action or actions, cause or causes of actions, suits, sums of money, claims and demands whatsoever, in law or equity, which I have ever had, now have or may have against the Releasees due to the inability to secure a clinical/practicum placement for the Health Sciences program because of the refusal of a clinical/practicum site to allow me access to their facility.
