

MedCom HIPAA and Bloodborne Infections Review Modules

Register for the Medcom/Trainex modules:

1. Go to <http://medcomrn.com/faytechcc/>
2. Click "Create a New Account"
3. On the "Select Your Location" screen, choose "[Your Program]"
4. On the "Create a New Account" screen, create your own User ID and Password
5. On the "User Profile" screen, enter your first name, last name, and license state
6. After successfully creating your account, you will be able to access the videos listed below.

Complete the following modules:

1. VIDM224TA-T HIPAA for Healthcare Workers: An Overview
2. VIDM224TB-T HIPAA for Healthcare Workers: The Privacy Rule
3. VIDM224TC-T HIPAA for Healthcare Workers: The Security Rule
4. VIDM273A-T Preventing Bloodborne Infections: Bloodborne Viruses
5. VIDM273C-T Preventing Bloodborne Infections: Engineering Controls and Workplace Practice Controls
6. VIDM273B-T Preventing Bloodborne Infections: Preventing Transmission, Protecting Yourself

You will be able to access your certificate of completion after you fill out the evaluation form.

See the screen shots on the next page for instructions for accessing the certificates.

Save each certificate and attach them here. You may attach each certificate as you complete the modules and click "Save as Draft". Do not click "Submit" until you have completed all modules and attached all certificates.

After completing the quiz, you will see this screen.
